

AIGF Closed the Second Fund at JPY 17.3 Billion (Press Release)

AIGF Advisors Pte Ltd ("AIGF") today announced the final closing of AIGF II LP ("AIGF II") with total capital commitments of JPY 17.3 billion from institutional investors in Japan and the ASEAN region.

AIGF has more than 8 years investment experience in the ASEAN region and has executed 5 investments in a wide range of sectors through its first and second fund. With the final closing, AIGF will seek to provide growth capital to the small and middle market across the ASEAN region, where many well established companies need such capital for their growth.

About AIGF Advisors Pte. Ltd.

Headquartered in Singapore, AIGF is an ASEAN-focused private equity firm sponsored by Mitsubishi Corporation. AIGF's principal focus is to provide growth capital and support value creation for small/mid-cap companies in the ASEAN region.

With an emphasis on supporting long-term growth and value creation, AIGF has the flexibility to customize and structure its investments according to each company's unique capital requirements and has the expertise to work in tandem with our portfolio companies on value-adding initiatives including business development, corporate governance, and strategic planning. As a unique differentiating factor, AIGF can leverage Mitsubishi Corporation's extensive global business network and know-how to create and add value for our portfolio companies.
